A TRUER WAY TO MEET YOUR FEDEX REQUIREMENTS.

PORTABLE. AFFORDABLE. APPROVED.

The CP2 from SmartWitness is your true partner — keeping your drivers and contracts covered.

SEE THE BIGGER PICTURE — WHILE MEETING FEDEX REQUIREMENTS:

- Video event data recorder (VEDR) with road and driver view
- Intuitive user-interface (UI) and key-indicator (KI) reporting
- Instant email alerts and notifications when incidents occur
- Continuous recording with time/date query tool

TRUE EQUIPMENT QUALITY THAT MEETS YOUR REQUIREMENTS:

Highly portable — move between vehicles as the rental fleet grows

Easy to install — easily attach to the windshield using a commercial-grade hook-and-loop fastener

Less hassle — simply plug into the cigarette lighter for power

Fully protected — provide video evidence of what really happened to your drivers and your FedEx contract contact
